AGREEMENT:

I, the Undersigned property owner, request permission to construct an access driveway(s) on public right of way at the above location, subject to the restrictions and regulations contained in the Big Horn County Road Standards. In consideration of these regulations, the applicant agrees:

1. Construct and maintain driveway(s) in a safe manner so as not to interfere with or danger public travel and to perform all work in a neat and workmanlike manner, using materials acceptable to Big Horn County and that the right of way will be cleaned and left in a condition equal to or better than the original condition. The applicant will fully protect the traffic on the road during construction covered hereunder and hold harmless Big Horn County, its officers and employees from all dangers, expenses, claims or liability arising out of any alleged damages of any nature to any person or property, due to the construction performance or nonperformance of work, or existence of said driveway.
2. That the profile grade of driveway(s) shall be constructed as indicated on the attached sketch or plan and shall in no case be graded or maintained such that water will drain onto the county road.
3. This permit becomes VOID if construction is not completed within _____ days after the approval date below.
4. Any change in land use which would generate greater traffic volumes would nullify this agreement for access and a new application must be submitted.
5. Big Horn County reserves the right to inspect these installations at the time of construction and at all times thereafter, and to require such changes, maintenance and repairs as may at any time be considered necessary to provide protection of life and property on or adjacent to the road.
6. That to the following additional requirements: _____
