

WANTED

North Big Horn Hospital District and South Big Horn County Hospital District are pleased to announce that we have begun our **Community Health Needs Assessment (CHNA)**. This process will include community input, and we are seeking eight **“at large” community members** to actively participate. There will be two or three meetings, with the first one on July 12th from 5:00 p.m. – 8:00 p.m. If you are interested in being an “at large” community member please contact David Barton, RN, North Big Horn Hospital District at 548-5225 or and Barb Burbridge, South Big Horn County Hospital District at 568-3313 by June 30th for more information.
