Civil Action No. 2175

IN THE MATTER OF THE GREYBULL)
)
VALLEY IRRIGATION DISTRICT)

FILED IN DISTRICT COURT
Big Horn County, Wyoming

JUN 23 2015

Clerk SERENA K. LIPP

Deputy Cathy Quinn

2016 BUDGET AND ASSESSMENT ORDER

THIS MATTER coming before the Court upon the Report of the Commissioners of the Greybull Valley Irrigation District showing an itemized estimate of the money to be raised by assessments within the district for the purpose of constructing new work, maintenance and to meet the yearly current expenses of the District and providing for possible delinquencies, all for the year 2016 and to meet construction charges; and the Court being advised in the premises, DOTH FIND:

That the Notice of Hearing upon such Report has been given in the manner provided by this Court and as required by law; that no objections have been filed thereto; that no person has appeared at the time set for hearing to object thereto; that said Report should be confirmed, approved and allowed, and said assessments should be authorized against the lands allocated water storage capacity from the Upper Sunshine Reservoir project as will raise the sum of \$191,717.00 for operation and maintenance, and will raise \$29,705.00 to meet the principal and interest payment due on the Upper Diversion Rehabilitation and the sum of \$1,395.00 to meet the principal and interest payment due on the Hydro Power-Phase I, and to meet possible delinquencies; and said assessments should be authorized against the lands allocated water storage capacity from the Lower Sunshine Reservoir project as will raise the sum of \$198,949.00 for operation and maintenance, and will raise \$7,426.00 to meet the principal and interest payment due on the Upper Diversion Rehabilitation and the sum of \$1,485.00 to meet the principal and interest payment due on the Lower Hydro-Power Phase I, and to meet possible delinquencies; and said assessments should be authorized against the lands allocated

water storage capacity from the Greybull Valley Dam and Reservoir as will raise the sum of \$117,924.00 for operation and maintenance and to meet possible delinquencies; and the construction charge levy as set forth in such Report to raise the sum of \$337,571.00 to augment a sinking fund to meet the maturing note payments and interest indebtedness on the cost of construction of the Greybull Valley Dam and Reservoir project by an assessment of \$11.25 per acre foot of storage capacity upon lands on which the storage capacity of the Greybull Valley Dam and Reservoir has been apportioned should be confirmed and approved.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED as follows:

1. The Report of the Commissioners of the Greybull Valley Irrigation District showing an itemized estimate of money to be raised within said District for the operation and maintenance, and principal and interest payments of the Upper Sunshine Reservoir Project; for the operation and maintenance and principal and interest payments of the Lower Sunshine Reservoir Project; and for the operation and maintenance and for the augmentation of the sinking fund for note payments and interest indebtedness of the Greybull Valley Dam and Reservoir Project and providing for possible delinquencies, all for the year 2016 be and the same is hereby confirmed and approved.

2. Said Commissioners be and they are hereby authorized to levy assessments against the lands to which the storage capacity of the Upper Sunshine Reservoir Project has been apportioned, sufficient to raise the sum of \$191,717.00 for operation and maintenance, \$29,705.00 for principal and interest payment due on the Upper Diversion Rehabilitation and \$1,395.00 for principal and interest payment due on the Hydro-Power-Phase I, being a total assessment in the amount of \$4.45 per acre foot of water storage capacity apportioned to said land.

3. Said Commissioners be and they are hereby authorized to levy assessments against the lands to which the storage capacity of the Lower Sunshine Reservoir Project has been apportioned, sufficient to raise the sum of \$198,949.00 for operation and maintenance, \$7,426.00 for principal and interest payment due on the Upper Diversion

Rehabilitation and \$1,485.00 principal and interest payment due on the Lower Hydro-Power Phase I, being a total assessment in the amount of \$3.90 per acre foot of water storage capacity apportioned to said land.

4. Said Commissioners be and they are hereby authorized to levy assessments against the lands to which the storage capacity of the Greybull Valley Dam and Reservoir project has been apportioned, sufficient to raise the sum of \$117,924.00, being an assessment in the amount of \$3.93 per acre foot of water storage capacity apportioned to said land.

5. Said Commissioners be and they are hereby authorized to levy assessments against lands to which the Greybull Valley Dam and Reservoir has been apportioned, sufficient to raise the sum of \$337,571.00, to meet the maturing note payments and interest indebtedness on the cost of construction of the Greybull Valley Dam and Reservoir project, being an assessment in the amount of \$11.25 per acre foot of water storage capacity apportioned to said land.
